

HARPER RESTORATION SYSTEM PRESENTS:

SEPTEMBER 28 & 29, 2018: SANTA FE, NM

HOSTED BY DR. ROBYN BENSON AT SANTA FE SOUL

LIVE TO BE 139!

HRS is Turning Degeneration into Regeneration!

Join us for our first ever 1.5-day *Doctor-Created* seminar with Interactive workshop. **Learn how you can LIVE TO BE 139!** Dr. Harper brings you a new perspective on “stem cells” and how they actually work in the body and how you can help your patients achieve the health and vitality to Live to Be 139! You don't want to miss this class with Dr. Dennis Harper. This is a Doctor-Driven, very advanced, class being introduced for practitioners who are *ready to start changing lives!* All attendees will provide us with input as to what they need and then they will lead the direction of the class. There will be a pre-screening questionnaire and pre-class videos to watch. Attendees will also be asked to place a minimum order of Biologic Allograft to be shipped directly to your office, so you are ready to start using them on Monday! For more info, go to www.liveto139.com and then contact us to register.

INSTRUCTORS: DENNIS HARPER, DC, and CARMEN MORA, NMD

- Dr. Harper is a renowned physician, speaker, and trainer in Regenerative Medicine using Ozone, Vitamins, and Biological Allograft in innovative applications and protocols that he has developed to treat patients. Along with research and terminology, you will learn about several different types of sources that are currently on the market, how they actually work, as well as the risks & benefits. You will learn administration methods, when to use each, and how to implement these techniques into your existing practice.
- Dr. Mora is a Regenerative Medicine Specialist. She is owner and Medical Director of INNOVA Medical & Spa in Phoenix, AZ; specializing in Regenerative Therapies, PRP, Medical Aesthetics, Fat Transfers, Male & Female Rejuvenation, Bio-Identical Hormones, Ozone Therapies, Prolotherapy and Pain Rehabilitation.

*COST: \$950.00 *with pre-order of Biologic Allograft (see below)*

\$1,450.00 without pre-order

- Space is limited to 15 attendees

**Preorder Biologic Allograft (minimum 5 x 2cc) to be shipped to your clinic so they are on-hand and ready to go when you return Monday. When you preorder, you will pay the reduced registration fee for this class.*

For a personal treatment in class, you have the opportunity to purchase Biologic Allograft in single 2cc vials (StemVive) at our cost of \$1570 ea.

TO REGISTER: Call Stevie Curry 208-827-2803 or email stevie.staffharper@gmail.com
